

Tribute Book

.....

In the rush and madness of life today, there aren't enough opportunities to express our appreciation or to honor the people that we love and admire.

For the Cancer Wellness Center's 30th Anniversary, we would like to create a Tribute Book to recognize and celebrate the mission of the Cancer Wellness Center and all of its supporters.

Our hope is that this Tribute Book will represent the strength, courage, and resilience of every participant who walks through our doors, and every family member who stands with them.

Please join us by placing a tribute in the 2019 Better Together Benefit Tribute Book. The deadline for Tribute Book messages is August 22, 2019.

Your message can:

- celebrate the life of someone special or commemorate an important milestone
- honor the memory of a loved one
- express heartfelt gratitude to someone who was there for you on your journey
- honor the achievements of a friend or share your admiration for someone special in your life
- acknowledge the support that you were given by a healthcare professional

Thank you. We are continually inspired by the commitment and generosity of our donors, working together to improve the lives of those living with cancer.
