**Principal Responsibilities:**

- Lead grant proposal development and submission—preparing and organizing materials for proposals, and submitting and monitoring grant applications
- Research new funding and development opportunities within the healthcare community and beyond
- Draft proposals/LOIs, grant application narratives, and budgets and collaborate to finalize with program staff, finance, and the Executive Director
- Submit grant applications via paper or online portals
- Maintain master calendar of grants, reporting schedules, prospects, and all associated files
- Maintain grant compliance and reporting, including outcome measurement and grant budgets
- Track progress toward organizational and programmatic outcomes and goals
- Draft compelling progress reports and targeted program updates to funders that fully capture programmatic success

**Experience and Education:**

- Bachelor's degree or 3 years of equivalent work experience
- Prior grant writing experience and working in a non-profit setting a plus
- Strong writing skills, superior editing skills, including ability to convey complex information in a clear manner to a diverse audience
- Strong administrative skills, written communication, and interpersonal skills
- Motivated self-starter, ability to set priorities and manage multiple tasks under minimal supervision in effective and efficient manner
- Ability to work under pressure and meet deadlines without compromising quality of work
- Comprehensive knowledge of Microsoft Office Suite and high comfort level with other technology platforms

**Benefits:**

- Paid time off
- Eligible for 401k Match, when offered at discretion of the organization
